OUR MEMBERSHIP & CLUB STATEMENT

The membership of Club Roma is comprised of more than 600 individuals from a variety of professions and trades. Our club continues to flourish due to the collaborative efforts of our member volunteers.

We value the diversity within our membership and welcome other philanthropic-minded individuals to join us in sharing the Club Roma experience.

MISSION

Club Roma exists to make a positive difference to individuals, families and the Niagara community by providing opportunities for members to maintain and promote their Italian heritage and culture. Through utilization of banquet facilities to the general public and community events, funds are generated and reinvested into our club as well as within our community via donations to local charitable organizations.

VISION

Club Roma will be valued as an essential organizational member of the Niagara community and recognized for its leadership, innovation, and commitment to members and their families by the construction of Adult Lifestyle Residences, the future home for many Italians, who in their later years wish to maintain a connection to the Club Roma culture.

CLUB ROMA VALUES

Members and their families are central to our goals at Club Roma. Our decisions and actions are guided by our commitment to the following core values:
