# YOUR DREAM WEDDING AWAITS YOU AT CLUB ROMA

Hello! First of all, let me say congratulations on your engagement! You've already met your perfect match and now it's time to choose a venue that's as unique as you are. One that will make your big day memorable for your loved ones. I'm very excited that you are considering Club Roma as your wedding venue.

We have several elegant spaces available, including our Starlight Ballroom, which has been featured on "Four Weddings Canada". Our Garden Pavilion is the ideal space for outdoor receptions, offering beautifully landscaped surroundings and a permanent canopy, perfect for parties – rain or shine! Our Gemini Ballroom offers rustic glamour for any size wedding. Club Roma is perfectly designed to receive as little as 30 guests to as many as 500 guests to help you celebrate your special day.

We offer a range of the most comprehensive and all-inclusive wedding packages in the Niagara region. Our unique philosophy is to incorporate and attend to every detail in our packages as opposed to surprising our clients with add-on, related or "value-add" costs. Our all-inclusive packages are completely customizable, affordable, and most importantly do not compromise on style or quality. We have several options to choose from and we customize each package to suit the unique requirements of every couple. Whatever the request, we will go the extra mile to accommodate it.

This is your day and we are here to ensure that it is everything you want it to be.

In this package, you will see all of your wedding package options. All of our packages include a Premium Open Bar and wine service throughout the evening.

With our extensive list of offerings, you have a night you will remember forever. Our packages also include table linens and a choice of gold or clear Chiavari chairs, access to our extensive décor closet and a secure bridal room.

Most importantly, when you book your wedding with Club Roma, your guests will experience the best of our classic Italian cuisine all completely made from scratch! We are known for combining our home-style cooking with modern flare and we use only the finest fresh ingredients.

If you're interested in learning more, please don't hesitate to call and book an appointment. I'd love the opportunity to show you everything Club Roma has to offer and to help make your wedding dreams come true.

All the best,  
Sean Krawchuk,  
General Manager
